Mayor Caggiano, Chairman Smith, my Board colleagues and Chairman Fitzgerald, I am submitting my letter of resignation from the Board of Finance, Housing Code Board of Appeals, NEMS Building Committee and any and all other Boards, Commissions and Task Forces I am involved with, effective immediately. I am resigning because we sold our home today (11MAY22) and now reside in another town. I want to thank my friend and mentor, Chairman John Smith, for his lessons, insights, great stories, laughter, direction, guidance, tolerance and support over these past seven years. I would be remiss if I did not thank former BoF Chair and current Council Member Cheryl Thibeault for recommending my appointment to the BoF and for always encouraging me to ask questions. I hope I surpassed her expectation. I also want to thank our Mayor for continuing with my appointment and for providing a platform where all ideas can be heard by all persons. Thank you all and good luck to my colleagues of the BoF; you have each brought me pleasure in addressing the financial needs of our great City and definitely have made me so much wiser. This Board, in my humble opinion, is the brightest and most dedicated, financially astute gathering of individuals working toward a common goal, which is of financial conservatism with a fiduciary responsibility. Keep up the great work Ron, Marie, Jon, Dave, Glenn, Mark and John. I also want to thank Diane, Robin, Jodi and Diane's staff for their meticulous work, their dedication and tenacity and their complete immersion into all things financial for Bristol. Filling the Comptroller's position with Diane is one of the best hiring decisions ever made and when compared to her predecessor, well, there is actually no comparison even worth attempting to make; Diane is simply superior.

Sincerely,  
Orlando J Calfe Jr.

Dear Mary-Alice.

I am writing to make official my resignation from the Bristol School Readiness Council effective June 8, 2022. I have thoroughly enjoyed serving on the Council since 2000, and I am proud of the many accomplishments of our Council over the years. Your leadership is the reason we have been successful bringing the early childhood community together to offer the highest quality early childhood education, and I have learned so much working by your side.

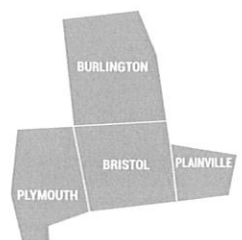

Thank you for your service, and I promise to continue your great work as the new City of Bristol School Readiness Liaison!

Respectfully,

Hi everyone,

I'm really sorry to do this over the email but I have tendered my resignation from the Commission

You may have seen or heard by now of the situation my family is dealing with when it was discovered about 10 days ago that my 7-year-old nephew Nicholas, the best and brightest kid ever, was diagnosed with a rare malignant brain tumor of the brain stem area. As you can imagine our family has been devastated and we are re-arranging our lives to doing everything we can to help support my sister, her husband, and oldest son Alex at this time, performing feverish research on any and all methods that can help, and spending precious time with Nicholas while hoping for a miracle. The end result is I am clearing my schedule to make room for this new reality so unfortunately I need to step down.

I ask you for your prayers and support and to cherish all the time with your loved ones. I never in a million years would have ever thought this could happen to us and now it has — you just never know.

The arts and culture team is so strong, talented, and motivated. I know you will all continue doing amazing things for the City along with the support and guidance of Lauren, Josh, Cheryl and BPRYCS team. I will continue to support your efforts however and whenever I can. Keep fighting the good fight and we will do the same ❤️❤️❤️❤️❤️ Much love and all the best.

Mark

Good morning Chair Dube,

I'm writing this email to inform you I will be resigning my position with the Board of Education. My reasons for this decision is solely based on my ability to effectively put the amount of time and ability to attend meetings with my current family obligations going forward. I've enjoyed my time on the board and wish you all the best going forward, but please remember you are all here for these kids and not about personal agendas. Please continue to work together and do the work of the people.

Thank you,  
- John

Good afternoon,

Mayor Caggiano and Executive Director Malley,

My time with the State of Connecticut recently came to an end after thirty-three years with the Judicial Branch (officially June 1). As such, my plan to relocate to northern Maine for six months a year has come to fruition. I recently obtained cable and internet - not an easy feat in this area, or I would have sent this earlier. Therefore, I hope you accept this email as notice of my stepping down from the Economic and Community Development board effective immediately. When Mayor Couture appointed me to this board years ago, I never thought I'd expect to stay on this long. I'm sure Howard can relate! It has been a pleasure volunteering on this board, and know that because of people like Justin, Howard and Mickey, the future of Bristol is in good hands. I wish you all well.

Charles

Greetings Mayor Caggiano and ARPA Board Colleagues,

I am writing this letter to announce my intentions to leave the great state of Connecticut in July of 2022. My wife and I will be relocating to California to be with our two adult children and help care for and see our nearly 2-year-old granddaughter grow up! For these reasons, I am submitting my resignation from the city's ARPA board and non-profit committee as of June 30<sup>th</sup> of 2022. I have enjoyed the entire process of reviewing applications for this funding that's so important to the improvement of the services provided within our city, and in addition, listening to my colleagues debate the pros and cons of each. If it were up to me, we'd be in debt and promise each applicant all they requested. In all seriousness, I am humbled that, as President of the Local NAACP, I was asked to be a part of this process and will miss having gotten to know more than a few of you in seeing how the community collaborates to work out its issues. From the bottom of my heart, I thank you for the opportunity!

Sincerely,

Eric Clemons
